Dear All,

Vindication!

What a year, what a campaign, what a brilliant team of women.

After so many, long, tiring and incredibly frustrating years, led by Elaine and Olive and supported by the unbelievable efforts of both Dr Wael Agur and the Sunday Post's Marion Scott, this year has seen so much of everything we set out to achieve, realised.

For me, as an elected politician, this has been the campaign with which I will always be most proud to have been associated. It never relented. It was sustained over many years with Alex Neil & Neil Findlay on a genuinely cross party basis at Holyrood.

I am so grateful to all of you who stuck at it, who challenged officialdom in all its forms, who took a well-researched and articulated case directly to the First Minister and won.

Nor will I forget those that are no longer here to know all that has now been achieved.

That's not to say that there is not work still to be done to ensure that all commitments are fulfilled. But, You did it. Well done!

Wishing you all a very Merry Christmas & a Happy 2022.

Season's Greetings
