### POEM - ONE OF A KIND

The woman we all looked up to, idolised and cherished in every way.  
Not one of us can believe that we stand here today.  
You gave us joy, laughter, kindness and love.  
We hope you're as proud as us as you look down as an angel from above.

When you were around, there was never a fuss.  
You'd say “sit on your arse or I'll stoat you in the puss”.  
The backbone of our family, the strongest of all.  
No matter our height, you always stood tall.  
You were harder than a brick, stronger than a wall.

They say that god only takes the best.  
Heaven is your home now, where in peace you will forever rest.  
You are now the brightest star in the night time sky,  
it's a “see you later” not a goodbye.

When we want to smile, we know what to do.  
We close our eyes and we think of you.  
Another Eileen Baxter this world will never find.  
You truly were one of a kind.

*This poem was written by all the grandchildren and read by Mark and Peter.*
