12 December 2019

Dear Scottish Mesh Survivors,

I'm very grateful for this opportunity to send you all the very best for the festive season. In 2019, as in previous years, I've been inspired, moved and heartened by the courage and determination you have shown while facing significant hardship. I'd like to use this occasion to express my continuing support for your cause, a feeling which I know many of my Parliamentary colleagues share. 2020 may bring new challenges in the fight to have the injustices you have faced recognised and rectified, but please know that I and many others stand behind you. I look forward to continuing to work with you, in 2020 and beyond.

With very best wishes for Christmas and New Year

Yours sincerely,

Alison Johnstone MSP
